During 1982, the main activities that are noteworthy with respect to the administration of the Election Finances and Contributions Disclosure Act include:

- Financial statements for the calendar year 1981 were received and examined from all seven registered political parties;
- Twenty of the two hundred and sixty nine registered constituency associations failed to file the required 1981 Financial Statement;
- Ninety-four new constituency associations of registered political parties were officially registered. In addition, one Independent constituency association was registered during December, 1982;
- Five constituency associations that had been previously de-registered were re-registered;
- The Alberta Reform Movement (ARM), having met the registration requirements of the Act was officially registered as a political party on September 17, 1982;
- A By-Election in Olds-Didsbury was held on February 17, 1982;
- A General Election was held on November 2, 1982.

Candidates - 1979 General Election

Three persons who were registered candidates at the 1979 General Election and who failed to file Campaign Financial Statements were notified by registered mail that they are ineligible to stand as candidates at a future provincial election pursuant to Section 36(1) of the Act. These persons have not as of December 31, 1982 applied for relief from the Alberta Court of Queen's Bench in accordance with Section 36(4) of the Act.

Eleven registered candidates of the Alberta Liberal Party at the 1979 General Election failed to provide acceptable financial statements pursuant to Sections 26 and 35 of the Act. Each of these individuals was notified by registered letter that approval of registration at a future election in accordance with Section 8(2) of the Act would not be granted until satisfactory clarification of their 1979 campaign financial statement was provided.

After the Writ of Election was issued on October 5, 1982, one of the above mentioned eleven Candidates, disqualified under Section 8(2) of the Act, contacted this office to clarify her status. The former Candidate was supplied with all information available from this office and telephone discussions were held with both the Candidate and the Chief Financial Officer concerned. The Candidate did not pursue the matter and was not a Candidate at the November 2, 1982 General Election.

Candidates - 1982 General Election

Following the issuance of the Writ of Election on October 5, 1982, applications for registration pursuant to Section 8(2) of the Act were received and approved for three hundred and forty three (343) Candidates comprising three hundred and ten (310) Candidates endorsed by six registered political parties and thirty three (33) Independent Candidates. One Independent Candidate and two Candidates from the Alberta Reform Movement did not apply for registration. Also one Alberta Social Credit Party Candidate and one Western Canada Concept Party Candidate filed registration applications; however, they did not file the nomination paper required by the Election Act and their names did not appear on a ballot.

FINANCIAL STATEMENTS

All political parties and constituency associations registered prior to September 1, 1981 were required to file annual financial statements for 1981 on or prior to March 31, 1982 in accordance with Section 34 of the Act.

Political Parties - 1981 Annual Financial Statements

Seven political parties were registered with the Office of the Chief Electoral Officer prior to September 1, 1981. Financial statements were received from all seven

registered parties, namely:

Alberta Liberal Party
Alberta New Democratic Party
Alberta Social Credit Party
Communist Party - Alberta
Progressive Conservative Association of Alberta
Unparty Party (Alberta)
Western Canada Concept Party of Alberta

The Unparty Party (Alberta) failed to meet the March 31 deadline because their statement had not been audited. Accordingly, the Unparty Party was de-registered effective April 1, 1982 pursuant to Section 9(3) of the Act. The required statement and audit report were filed on April 5, 1982 after which time the Chief Electoral Officer re-instated their registration.

The Alberta Reform Movement was registered with the Office of the Chief Electoral Officer on September 17, 1982. Under subsection 34(2) of the Act the Alberta Reform Movement is not required to file a financial statement for 1982. The first annual financial statement required from this Party will be due on or prior to March 31, 1984.

A summary of receipts, transfers and expenditures reflected in the annual financial statements is contained in Appendix B.

This was the fourth year in which financial statements were required to be filed in accordance with the Act. This report does not attempt to make detailed comparisons of the financial support given to the political entities. Constituency Associations - 1981 Annual Financial Statements

Of the two hundred and forty three registered constituency associations required to file financial statements for the year ending December 31, 1981 two hundred and twenty three filed statements prior to March 31, 1982. The Liberal constituency of Grande Prairie and the Unparty Party constituency association of Edmonton Strathcona filed financial statements on September 8, 1982 and April 5, 1982 respectively. The statement for the Liberal association was accepted, however, the Unparty association did not supply all the necessary details nor did it apply for re-registration and it remains de-registered.

The financial and administrative procedures adopted by each Party differ with the result that an analysis or comparison of financial information is not feasible. Accordingly, the data presented below is merely a summary of reported contributions recorded by constituency associations operating within the provisions of the Act, but

with differing administrative and financial procedures.

1982 Olds-Didsbury By-Election

A general summary of the Olds-Didsbury By-Election including the official results was published by the Chief Electoral Officer on March 19, 1982.

Financial Statements from three of the registered political parties were required to

be filed with the Chief Electoral Officer on or prior to August 17, 1982. The Alberta Liberal Party, because of administrative difficulties, requested and was granted an extension to the filing deadline.

Amendments to Section 35(1) of the Election Finances and Contributions Disclosure Act now require Candidates to file their campaign period financial statements three months after polling day. All six registered Candidates filed the required statements on or before April 17, 1982.

Registered Political Parties - 1982 Olds-Didsbury By-Election Campaign Statements

Three of the seven registered political parties participated in the 1982 By-Election and filed Party By-Election Campaign Financial Statements in accordance with Section 35(1) of the Act. A summary for each of the three registered parties is contained in Appendix C. The participation of the three parties was limited to transferring either funds or campaign materials to their Candidate, no contributions were accepted.

Two of the seven registered parties nominated Candidates for the By-Election, however, the parties did not receive contributions or make payments or transfers to their registered Candidates.

Two of the seven registered parties did not nominate or register Candidates for the 1982 By-Election.

Registered Candidates - Campaign Financial Statements

A summary of the Candidates Campaign Receipts and Expenses for the 1982 Olds-Didsbury By-Election is detailed hereunder:

INCOME TAX CREDIT ALLOWANCE - 1980

During 1982 the Federal Government provided information concerning the 1980 income tax credits for political contributions allowed to individuals and corporate taxpayers who paid Alberta Income Tax.

Although the following information is now two years after the fact it may be useful for future comparison purposes:

- Total 1980 contributions to registered parties $ 707,954
- Total 1980 contributions to registered Constituency Associations $ 107,457
- •• Total 1980 Provincial Income Tax Credit allowed $ 303,015

Three factors should be kept in mind when reviewing this information. Firstly, the taxpayers do not receive any income tax credits unless they submit an official receipt for the contribution; secondly, if there is no Alberta income tax payable no income tax

credit is allowed and thirdly, the amount of income tax credit allowed is based on a declining percentage calculation of the total contribution. Consequently, a direct percentage comparison of the income tax credit allowed to the total amount contributed should not be made.

PUBLIC RECORDS - DISPLAY FILES

The public display files which record information concerning political financing of registered political organizations in Alberta now contain records for four consecutive calendar years including the 1979 General Election, and the Barrhead and Olds-Didsbury By-Elections. Interest in examining these records emanated primarily from the news media, political science students and members of political organizations.

VISITS - CONFERENCES

Annual Election Officers Conference

The 1982 Conference of Electoral Officers and Election Finances Officers was held in Whitehorse, Yukon July 20, 21 and 22. Both myself and Mr. Bill Sage, Director of Registrations and Financial Operations, attended. All other provincial jurisdictions plus the Canada Elections Office were represented.

I consider the mutual sharing of new ideas and methods of problem solving between jurisdictions at these annual meetings to be invaluable to this Office.

The 1983 Conference will be hosted by Nova Scotia and will be held in Halifax during July 1983.

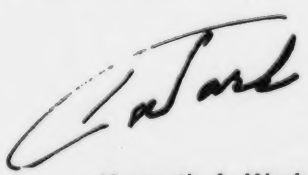
SUMMARY

This Office continued to provide advice and assistance during 1982 to newly appointed Chief Financial Officers at all levels and particularly to the Executive and Chief Financial Officers of the newly registered parties. All registered parties and constituency associations continue to demonstrate a sincere desire to adhere to the requirement of the Act.

The guide issued to Chief Financial Officers concerning their responsibilities under the Act and the guide for political parties and constituency Associations with respect to the Election Finances and Contributions Disclosure Act have both been updated to provide an explanation of some of the requirements.

In submitting this report I wish to express my appreciation to the representatives at all levels throughout the political spectrum for their co-operation and assistance during 1982. Additionally, I would like to record my appreciation to the many interested citizens and groups who took the time to write, visit or phone this Office to provide their input to the administration of the Act. Finally, to my dedicated and highly efficient staff I extend my sincere appreciation for their efforts in ensuring that the responsibilities of this Office were met throughout the reporting period.

All of which is hereby respectfully submitted,



Kenneth A. Wark
Chief Electoral Officer

Dated this 4th day of February, 1983.
